THE NOISE, THE CLOSER YOU GET TO
YOURSELF.

NOSY SAKATIA

Orchid Island”, Nosy Sakatia is a peaceful and preserved gem, still untouched by mass tourism, located a short distance off the northwest coast of Nosy Be. Protected and classified by the Ministry of the Environment, it offers an exceptional natural setting and remarkable biodiversity. The island is famous for its rich plantations surrounding the coastal villages: coffee trees, pepper vines, vanilla plants, pineapples, cashew nuts, mango trees, jackfruit trees, guava trees, ravenala (traveler’s tree), raffia palms, wild orchids, and many medicinal plants.

Snorkeling takes place in a protected marine area, renowned for its large population of sea turtles. This safe reserve allows visitors to swim with confidence and respect alongside these majestic marine creatures in their natural habitat.

NOSY SAKATIA

NOSY TANIKELY

Imagine a small wild island, surrounded by a turquoise lagoon, where the underwater world is as vibrant as a waking dream. Nosy Tanikely, meaning “Little Land Island,” opens the door to one of the most impressive marine parks in Madagascar. As soon as your feet touch the warm sand of this protected nature reserve, the adventure begins. Grab your mask, fins, and snorkel, and dive into a natural aquarium. Just a few meters from the shore, you will encounter schools of colorful fish, starfish, sea turtles, and shimmering corals.

After your swim, climb up to the island’s lighthouse. From the top, you will enjoy a breathtaking panoramic view over the Indian Ocean and the surrounding islands. With a bit of luck, you may even spot a few curious lemurs in the trees—a reminder that on Nosy Tanikely, nature reigns supreme.

NOSY TANIKEY

PROGRAM

- Departure from the lodge around **8:00 a.m.**
- Visit to the lighthouse and its museum dedicated to marine species
- Swimming in crystal-clear waters and snorkeling

MATTERS — SILENCE, NATURE, AND
TIME.**

TOUR OF NOSY KOMBA

Sail through the turquoise waters of Nosy Komba aboard our boat, also known as the “Lemur Island.” This charming volcanic island, nestled between Nosy Be and the mainland, offers an authentic glimpse into Malagasy island life. Your day begins with a beautiful boat ride along the coast, followed by a visit to a traditional fishing village where local life unfolds peacefully.

Then, enter a small private reserve where you will meet the famous black lemurs, as well as chameleons, tortoises, and endemic flora. Stroll through the lively craft market in the village of Ampangorina, renowned for its embroidery, wood carvings, and woven baskets.

An aerial photograph of Nosy Komba island. The image shows a lush green forested hill on the left, meeting a clear turquoise sea. Several small white sailboats are visible in the water. The sky is blue with some light clouds. The overall scene is a beautiful tropical landscape.

FROM COCOA TO PLEASURE

ARCHIPEL MITSIO

Located approximately 60 kilometres north of Nosy Be, the Mitsio Archipelago is home to one of Madagascar's most pristine marine and island sanctuaries. Accessible only by boat, this group of islands offers breathtaking landscapes, from the vast sandy beaches of Grande Mitsio to the remarkable volcanic formations known as the "Basalt Organs" — towering cliffs that rise dramatically from the ocean

The archipelago is renowned for its exceptional biodiversity, both on land and beneath the waves. Its crystal-clear waters are home to vibrant coral reefs teeming with tropical fish, sea turtles and other marine life, making Mitsio a true paradise for diving and snorkelling. On the islands, visitors can also spot rare seabirds and unique coastal vegetation. A visit to the Mitsio Islands is both an immersion in untouched nature and an invitation to experience the peaceful rhythm of island life, far from the hustle and bustle of the mainland.

ARCHIPEL MITSIO

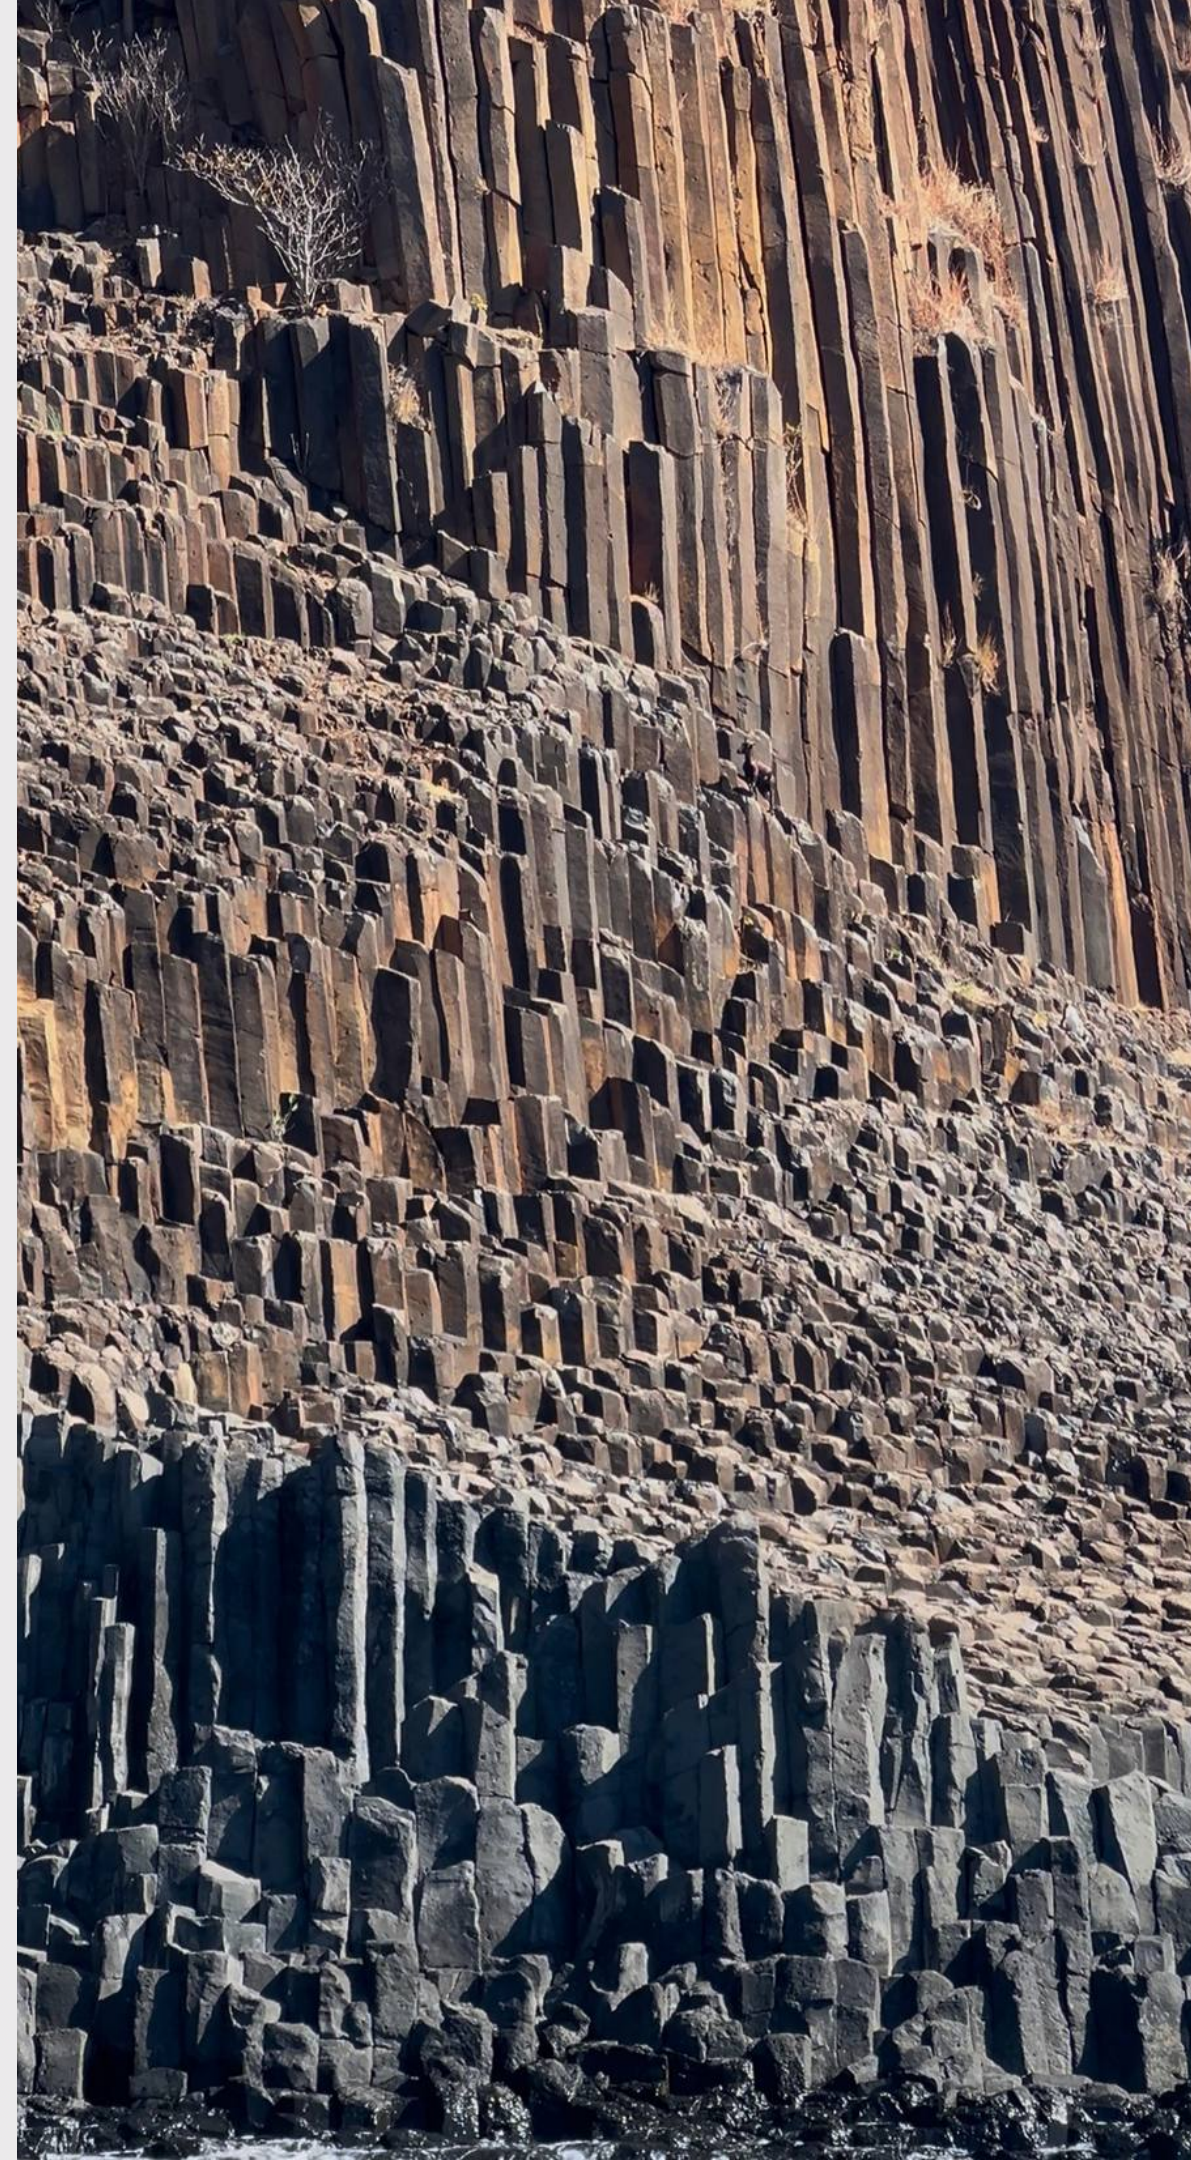

PROGRAM

- Departure from the lodge
- Arrival at Nosy Ankarea and exploration of the basalt cliffs
- Snorkelling break in crystal-clear waters
- Picnic lunch on the beach or on the boat
- Relaxation, swimming or coastal exploration
